EDUCATION

Master of Computer Application (MCA)

Raajdhani Engineering College (B.P.U.T)

07/2023 - 05/2025 Bhubaneswar

- Total S.G.P.A - 8.10

Bachelor of Science (B.Sc.)

Fakir mohan university (R.I.H.S)

06/2020 - 04/2023 Balasore

- Physics Honours
- Percentage : 73.19%

CHSE +2 Science

Rural Institute of Higher Studies

06/2018 - 04/2020 Balasore

- Percentage : 63.83%

SUMMARY

- DevOps Engineer and Data Science enthusiast with a robust academic background in Computer Applications and Physics. Demonstrated expertise in Python, SQL, Linux, and GCP, complemented by advanced skills in Kubernetes, Docker, and cloud resource optimization. Proven ability to reduce cloud costs by 25% and drive a 40% improvement in report generation speed through innovative data visualization tools. Eager to deliver impactful, scalable solutions in dynamic, collaborative environments.

SKILLS

Networking		Linux		Shell Scripting	
GIT	GitHub	Docker	Jenkins CI/CD		
GitLab CI/CD	Kubernetes	Terraform			
Ansible	Monitoring	Jira	MongoDB		
VPC	Cloud Run	IAM	Observability		
Microsoft Power BI	CICD	MS Office			
EC2	NumPy	MS Office	DevOps		
Virtual Machine	AWS	GCE	Python		
IAM	AI Training	Gmail	SSH

STRENGTHS

- **Your Strength**

Quick Learning
- **Rapid Technology Adaptation**

Adapt rapidly to new technologies, achieving proficiency within weeks.
- **Analytical Problem Solving**

Efficient problem solver, reducing debugging time by 40% through analytical skills.
